Observing System

EuroGOOS AISBL Annual General Meeting
21-23 May 2014
EuroGOOS AISBL, Brussels

Agenda Item 11: EuroGOOS Conference

Meeting Document 11: Draft Programme of EuroGOOS conference

The General Meeting is invited to ***note*** the EuroGOOS conference Programme

EuroGOOS Conference 2014

Draft Programme Outline v.4

27 October 2014	
Evening	Welcome reception. Short speeches for 20 years of EuroGOOS <i>(ex. Directors, chairs)</i>

28 October 2014		
09:00-09:30	Opening and welcome from local organizers and authorities	
09:00- 12:30	Plenary Session 1: Policy and societal challenges with emphasis on Blue Growth: the contribution of Operational Oceanography	
09:30-09:50	IOC: A.Fischer	The IOC/GOOS system. High level objectives and societal needs
09:50-10:10	EC-DG MARE: I.Shepherd	Marine Knowledge 2020 - EMODNET
10:10-10:30	EC-DG ENTER	Copernicus Marine Service
10:30-10:50	EEA	MSFD – Env. Assessments
10:50-11:20	Coffee Break	
11:20-11:40	EMSA	Maritime Safety
11:40-12:00	JCOMM : N.Pinardi	From observations to services
12:00-12:30	Q/A and discussion session	
12:30-13:30	Lunch Break	
13:30- 18:00	Plenary Session 2: Advancing Operational Oceanography to meet present and emerging User needs	
13:30-14:00	F. Polla Mattiot, ENI	Needs for new services
14:00-14:30	M.Visbeck, GEOMAR	Ocean observations for science and operational services
14:30-15:00	P.Bahurel, Mercator Ocean	Forecasting services under Copernicus MS
15:00-15:30	E.Svendsen, IMR	The challenge of Ocean's Biogeochemistry
15:30-16:00	Coffee Break	
16:00- 17:30	Plenary Panel session 1: Priorities of Operational Oceanography to effectively support societal needs with emphasis on Blue Growth (2014-2020) (speakers of the day)	
17:30-19:00	Poster Session (if possible with drinks and light finger food)	

29 October 2014		
08:30- 13:30	Splinter Sessions: PART A	
Splinter 1	Splinter 2	Splinter 3
Users and new Services	In-situ observations	Modeling – forecasting services
Chair:	Chair:	Chair:
Key-note:	Key-note: USA-IOOS	Key-note:
10:30-11:00	Coffee Break	
13:30-14:00	Lunch Break	
14:00- 18:30	Splinter Sessions: PART B	
Splinter 4	Splinter 5	Splinter 6
Copernicus marine service	R/S (organized with EUMETSAT)	Modeling the biochemical ocean
Chair:	Chair: EUMETSAT	Chair:
Key-note:	Key-note:	Key-note:
15:30-16:00	Coffee Break	
20:00-22:00	Conference dinner	

30 October 2014	
09:00- 10:30	Plenary Panel session 2: Towards a European Ocean Observing System. <i>Structure, components, governance of a future EOOS. (Representatives of key-infrastructures & EuroGOOS national systems, JPI-Oceans, +).</i>
10:30-11:00	Coffee Break
11:00-12:00	Plenary session: Messages from splinter sessions and panels (chair or rapporteurs of sessions)
12:00- 12:30	Conference key messages and closing session
