Observing System

KOSTAS NITTIS MEDAL

Kostas Nittis Medal was established in 2015 in the memory of EuroGOOS Secretary General and strategic leader, Dr. Kostas Nittis (1964-2014).

The Kostas Nittis medal is accompanied by a grant and awarded to a **young marine professional** within the operational oceanography and broader **ocean observing community**.

The Kostas Nittis grant aims to support the participation of young researchers and marine professionals in relevant **conferences and events**.

The awardee is given a chance to present their **research or technology** at relevant events, building a **professional network**, gaining real **life experience** and reaching out to potential **partners and employers**.
